

DO YOU FEEL SAFER TODAY THAN FOUR YEARS AGO?

The Claim:

Lary Coppola claims that on his watch as Mayor, he reduced crime in Port Orchard.

The FACTS:

The Port Orchard Police Department Annual Report reveals that major areas of criminal activity have increased drastically. **Property crimes have increased from 382 in 2007 to 592 in 2010**, and per the latest numbers released in August by the PO Police Department property crimes are **on track to hit 639 this year** alone.

*Why Did Lary Coppola Make This Claim?
Sometimes when things aren't going so well,
politicians make claims that they hope you will
believe without checking the facts.*

- DUI's have increased from 153 in 2007 to 198 in 2010 - **a nearly 30% increase in drunk drivers roaming our roads.**
- Burglaries have increased from 70 in 2007 to 102 in 2010, **a 45% increase in robbers invading homes and businesses.**
- And the 30 reported auto thefts in 2007 increased to 47 reported through just August of this year, **on a trend to hit 70 stolen cars by years end!**
- When calculated on the basis of crimes per 1000 residents, these numbers keep going up, **increasing from 45.7 in 2007 to 54.3 in 2010.**

We Need a Mayor We Can Trust - It's time to Let Lary Go!
